Dear Good Hope Residents,

I wanted to address the explosions that have been happening in the Good Hope area in recent months. These explosions have been happening outside of the City Limits and are completely out of our jurisdiction. The County Sheriff's office handles all situations like this for our City, as we do not have a police department. I would be glad to assist in any way possible to resolve this problem and would encourage anyone who knows who is doing this to please report them to the Sheriff's office. If they would prefer to contact me I would be more than happy to take it to Sheriff Joe Chapman.

The Mayor and City Council is committed to keeping Good Hope safe and as quite as possible.

Jimmy Guthrie

Mayor, City of Good Hope
